

Call for Proposals: Young Researcher Best HALO Publication Award 2021

The organizers of the HALO Status Colloquium 2021 invite applications for two awards (PhD student, early career scientist) for the best HALO-related, peer-reviewed paper published or accepted for publication by 30 June 2021. Each prize is endowed with 500€. The winners will be announced during the HALO Status Colloquium, 14-15 September 2021, and are very welcome to present their findings. Only young scientists (PhD, Postdoc) who are the first author of the publication are eligible. Self-nominations are not permitted.

Please submit one PDF including the proposal, the respective publication and the CV (tabular form) of the endorsed candidate to anja.schwarz@uni-leipzig.de. **Deadline: 9 July 2021.**
